Classic Car Show

Throughout the year, Downtown West Allis and the City of West Allis strive to provide quality programs and events to the 60,000 residents of the City of West Allis. Our events in West Allis Downtown are intended to promote family unity, strengthen neighborhood

involvement, and provide a safe, clean area where these events can take place. The reputation of West Allis Downtown as the heart of the city continues to grow. History will repeat itself in 2023 as we prepare to deliver another Downtown West Allis Classic Car Show. The atmosphere is always friendly, welcoming, and entertaining. Each year, more and more car enthusiasts are making this event one of the largest car shows in the area.

This year our organization will, once again, be teaming up with **The WISH Program and West Allis Crime Stoppers as well as New Berlin's Texas Roadhouse**.

Women Initiate Self Healing & Hope (WISH) is a support, empowerment, and educational group for women who are in an abusive relationship or have been in an abusive relationship. The group helps women gain support, insight and strength from other women who have experienced domestic violence. They will be raising money for their cause through their 50/50 raffle.

West Allis Crime Stoppers is a local community effort, which involves the public, the news media, and the police department in an organized effort against crime. Stop by their booth for a chance to win some fabulous raffle prizes.

This year, the New Berlin, **Texas Roadhouse**, will be teaming up with us by proving great prizes. A percentage of the profits from their spinning wheel will be given to the Nathan Hale High School athletic program.
